

Air Movement and Heating - Introduction

Clipsal's range of air movement products will bring fresh air to any home or work place.

An Exhaustive Range

In the home, Clipsal's exhaust fans are ideal in bathrooms, en suites, toilets, laundries and workshops.

In kitchens too, exhaust fans are the only way to efficiently remove fumes and odours.

Most building regulations require exhaust fans in a variety of situations, particularly in bathrooms, kitchens and toilets.

For working areas, the high performance range of fans removes stale air from factories, restaurants, hotels, shops and offices.

Many new models mean the range has an exhaust fan for nearly every application.

Quiet by Design

The entire range of exhaust fans is fitted with the highest quality electric motors and specially designed fans to ensure quiet operation.

Easy to Install

Installing a Clipsal, Airflow or O.Erre exhaust fan is a breeze.

All products come with instructions, and templates are also provided where appropriate.

Your 'One Stop Selection Guide'

Whether it's an exhaust fan, ceiling sweep fan, combination bathroom fan/ light/heater unit, ducted system, commercial or industrial air movement, Clipsal, Airflow, and O.Erre products guarantee a refreshing choice.
