Product End of Life Instructions

AP Line Paralleling Module 500-690V

ATV600/900 Altivar Process Modular Liquid Cooled 132kW…2600kW (200HP…2600HP), 380V…690V

Potential disassembly risks

The information provided in this document assumes that the product is completely de-energized and uninstalled (refer to the instructions provided in the appropriate product manuals).

Dismantling/disassembling the product may entail hazards caused by, for example, sharp edges, chemical aggression or ejected parts.

⚠ WARNING

HAZARD DUE TO INSUFFICIENT PROTECTION

- Implement all safety measures required by the applicable regulations and by the processes used to dismantle/disassemble and dispose of the product.
- Use all necessary personal protective equipment such as gloves and goggles.

Failure to follow these instructions can result in death or serious injury.

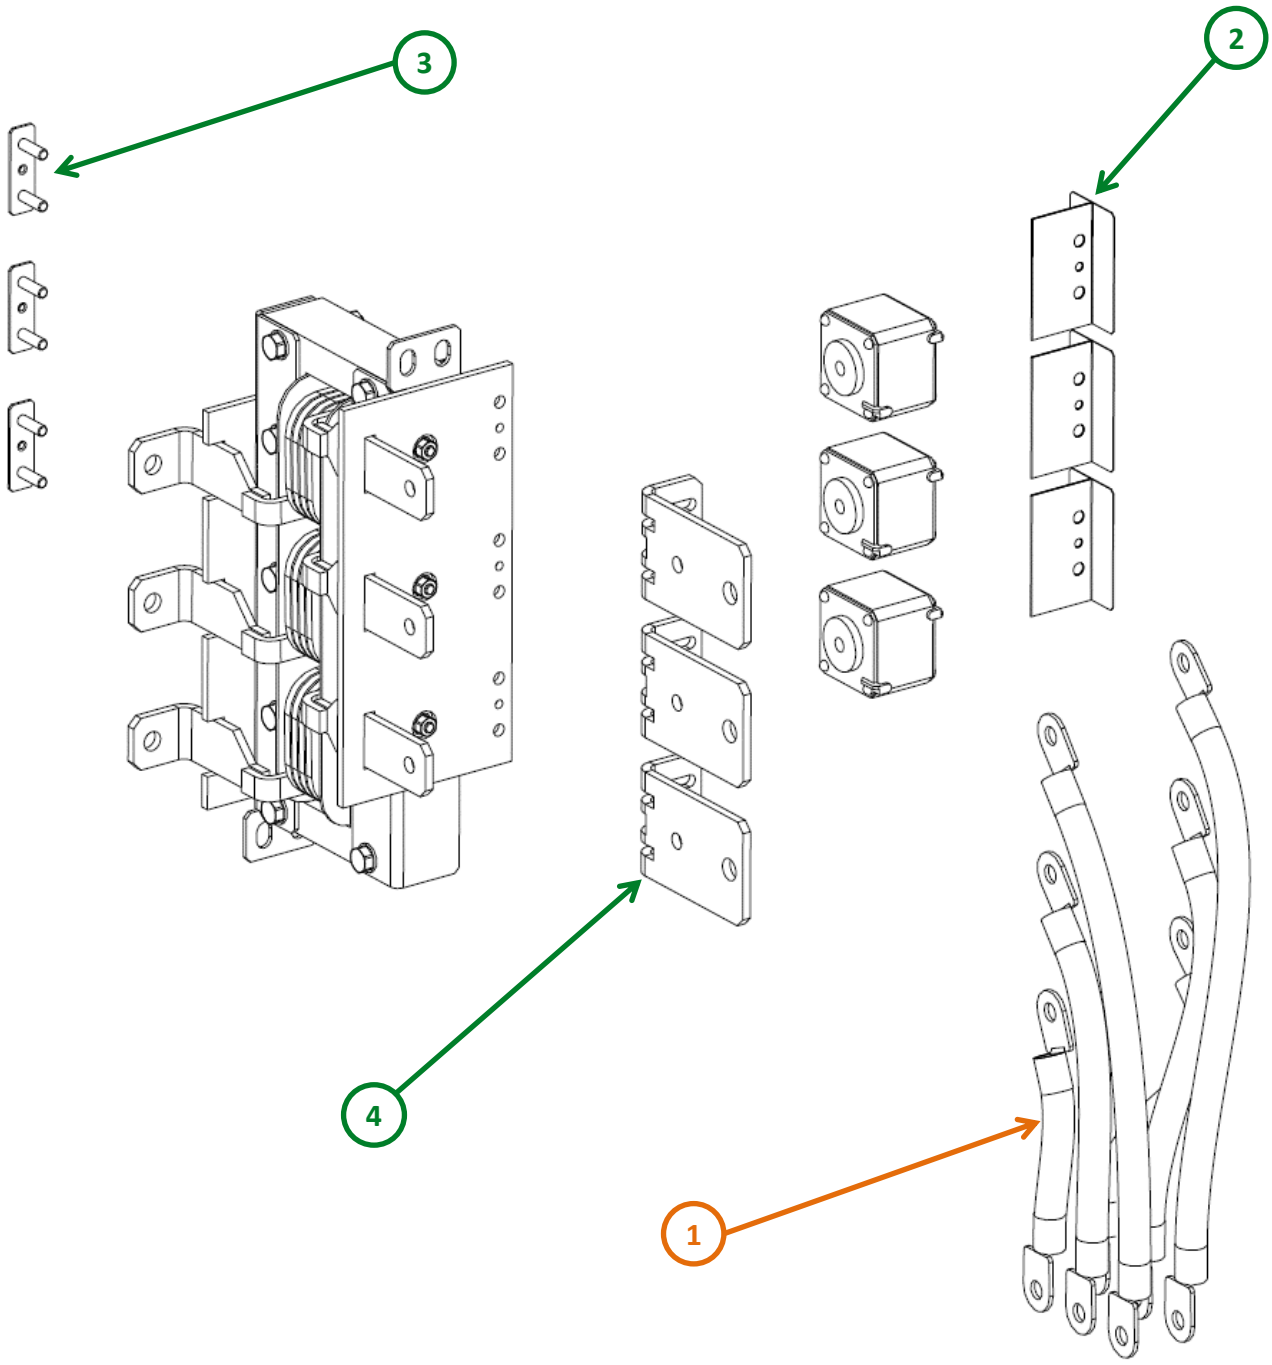

⚠ WARNING

INCORRECT LIFTING AND HANDLING

Take all measures necessary to keep the equipment from swinging, toppling and falling.

Failure to follow these instructions can result in death or serious injury.

End of Life Instructions

Recommendation	Number on drawing	Component / Material	Weight (in g)	Comment
To be depolluted	1	Cable (high current)	2145	
To be dismantled	2	Plastic	19	Insulation
To be dismantled	3	Steel	120	Mounting
To be dismantled	4	Copper	1692	Bars
Other			29024	Choke, Fuses

Product description

Manufacturer identification	Schneider Electric Industries SAS
Brand name	Schneider Electric
Product function	The main function of the Altivar Process product range is the speed control and variation of a synchronous, asynchronous or reluctance electric motor for fluid management and industrial applications. The Line Paralleling Module is a Module to be integrated into a Drive System by a Certified Partner.
Product reference	APM1L0LPMY6
Additional similar product references	APM1L0LPMY6 APM1L0LPMN4
Total representative product mass	33 kg
Representative product dimensions	230mm x 348mm x 350mm
Accessories	No accessories needed.
Date of information release	02/2021

Additional information

Legal information	This product family is in the scope of European Union directive 2012/19/EU on Waste Electrical and Electronic Equipment (WEEE). The product family must be disposed according to the legislation of the country. This document is intended for use by end of life recyclers or treatment facilities. It provides the basic information to allow an appropriate end of life treatment for the components and materials of the product.	
In case of special transportation: transportation method	No special transportation.	
Recyclability potential	**79%**	Based on “ECO’DEEE recyclability and recoverability calculation method” (version V1, 20 Sep. 2008 presented to the French Agency for Environment and Energy Management: ADEME).
