EPA PFAS Declaration

Declaration of Environmental Protection Agency (EPA) Per- and Polyfluoroalkyl Substances (PFAS)

Dear customer,

In accordance with the requirements of the EPA PFAS regulation, you will find below information regarding the presence of EPA PFAS substances in Schneider Electric products.

. Please note that the information contained herein may be subject to change as new data becomes available or as regulations evolve. Schneider Electric will only disclose to its customers the information mandated/required by applicable regulations.

Shall you need any further information or have specific questions (eg. related to phased out products), our Customer Care Centers will support you. Please Note: You can find more information about Schneider Electric environmental commitment on this webpage.

Best Regards,

Vanessa MILER-FELS
VP Environment
