RED Flag Notice

Time to End of Commercialization: 14 Months

Note: The red flag notification signals an **obsolescence**, withdrawal or discontinuation of an offer.

Product Name(s):	TeSys Deca 40-65A DC contactors – Advanced notice of obsolescence and substitution	Customer Support No.	1(847) 441-2540
Product Line Description:	Contactors	Document Issued:	9/19/2025

Description of Change:

Advanced notice that the existing TeSys Deca Contactors (40-65A) with DC coils will be obsoleted and replaced with an existing offer (Deca Advanced) which is the electronic coil version.

The new TeSys Deca Advanced line includes models that have redundant functionality to the TeSys Deca 40–65 A DC coil contactors. These new models also provide improved capabilities and sustainability.

Not all DC contactors in this size group have redundant TeSys Deca Advanced versions. These DC coils are not impacted: 12 V DC (coil voltage code JD), 12 V DC low consumption (coil voltage code JL), and 440 V DC (coil voltage code RD). **For example: LC1D40ABD is discontinued, but LC1D40AJD is not.** The impacted SKU references are attached below.

Inventory Disposition and Return Policy:

Use to depletion. Standard warranty applies. Ineligible for Stock Rotations. All sales are final.

Critical Dates

Last Buy: (Or Until Inventory Depletion)	Product Support Ends:	Availability Date of New Product:	End of Commercialization
December 1 st , 2026	December 2027	Immediately	December 1 st , 2026

Transition Tools:

See transition spreadsheet for a list of references.

Definition of Dates:

- a. **Last buy** shall be the last date that we will accept a PO. This date shall take into account the lead time to build the product as well as current inventory levels.
- b. **Product support** shall be 1 yr beyond end of commercialization or last buy whichever the latter.
- c. **Availability date of new product** is when the new products are expected to be orderable.
- d. **End of commercialization** (EOC) if made to stock; this date will be before the last buy date (taking into account the build / shipping lead time as well as current inventory levels). If made to order; this date will equal the last buy date.

Note: Our factories have limited capacities for products going obsolete. Product availability will be set on a first come first serve basis.
