Definition of Dates:

- Last buy** shall be the last date that we will accept a PO. This date shall take into account the lead time to build the product as well as current inventory levels.
- Product support** shall be 1 yr beyond end of commercialization or last buy whichever the latter.
- Availability date of new product** is when the new products are expected to be orderable.
- End of commercialization (EOC)** if made to stock; this date will be before the last buy date (taking into account the build / shipping lead time as well as current inventory levels). If made to order; this date will equal the last buy date.

Note: Our factories have limited capacities for products going obsolete. Product availability will be set on a first come first serve basis.
